Hi Nick, I hope this section is accurate to discuss about promoting your ABS software. I am a registered ABS2.0 user and are trying to promote ABS by giving away ABS Trial Version soon. But I need to assure whether distributing ABS Trial Version is legal for me. Please advise

Thanks

Absolutely! It is legal to distribute the trial version as long as you don't charge anything for it :)

Btw, Thanks for promoting my software.

Carty..

That must be an older and pirated version with some virus too. Beware :)
