

eZine article, amazon, clickbank problems to uploa

Posted by markus bauer - 2010/10/27 07:34

Hi together,

I've not only had problems with eZine, but also with Amazon and Clickbank products.
Is there any new update in your software in August 2010?

Greetings from Germany

There was an update issued last week that fixes eZine articles bug. Did you apply that?

Regards,

Carty..
