

Adding articlebase as content source?

Posted by John1010 - 2010/11/03 08:38

Is that possible to add articlebase as second content source beside of ezine article so that we can have more articles to post to our autoblog?

=====

eZine has a behemoth and I do have plans to add article base as an additional source in future updates.

Regards,
Carty..
