Sorting "Published On" in Mainwindow failed

Klicking on "Published On" shows

Fri, 29 Oct 2010

Mon, 01 Nov 2010

Mon, 25 Oct 2010

Klicking twice failed too.

Ignore the published on field. It does not denote the post' publish date on your blog but the time when the article was published on the feed source website.

Regards,

Carty..
