

Feeds are getting cut short

Posted by goharnett - 2010/12/09 23:06

My feeds are getting cut short - only the first few sentences.

I'm using original news sources, is that why? These are original sources, so they should work.

I set it to Full Text Feeds.

hmm.?

thanks.

Eugene

Eugene, try the 'Propreitary methods of extraction' and tell us if it works fine.
