

[Help] I cannot Extract Blogspot Feed

Posted by jazili - 2010/12/23 23:36

Hi Carty can this software extract the blogspot feed, I've try it several blogspot feed and it seems it cannot extract it...

Thanks.

What type of feed did you try with? RSS or Atom? What error do you get when you add the feed and what setting are you using?

Regards,
Carty..
