

Ezine limit... whats this...

Posted by jazili - 2011/04/23 02:32

I got this message evrytime I pulled artikel from Ezine...

"EzineArticle.com download limit for today might have reached. Please try again later!"

it sya limit for today, but I got this messagae like already a week...

Can I got an explanation on this Carty....

Thanks.

Your Ip has been banned..you need to change your Ip..if you have a router try disconnecting it for 5 min..and try again.
