

ABS pull only a paragraf or two...

Posted by jazili - 2011/05/05 17:09

Hi Carty...

I'm trying to pull a feed from <http://mobilier.belleinterior.com> (my own blog in france, I intend to translate it to english) but why I only manage to pull one or two paragraf, it seems like I pull an excerpts not the entire article..., I've already try in various way but still not working to pull a full article...

Thanks.

NB: Google reader mnange to pull full article.

Paid one... , I bought it December last year...

Help me with this please carty... I need it to be working ASAP to properly fulfill my schedule...

Hope to solve this from you...

Thanks.
