

Help

Posted by spiceitupllc - 2012/03/30 11:28

Had reload program after virus attack. My product key no longer works. I have sent a copy of my invoice information to support and to Carty to get a new one, but still have have not had a response. Please advise. Thanks.

Maybe our emails are blocked at your end?

Regards,
Carty..

@Carty

I'm getting this error :

"The advertised application will not be installed because it might be unsafe. Contact your administrator to change the installation user interface option of the package to basic."

:(
