

Amazon Error and Forms distorsion

Posted by unikbit - 2012/10/01 19:03

Hi Carty,

When I access Amazon I got an error sent a print screen to support.

Also when Open a window program the forms inside it are distordioned and also the text. Also a prtscrn sent to support.

Please advise

This is due to the incorrect Dpi setting you have. Please check your display setting in control panel and set it to default. Then it should work fine.

Regards,
Carty..
