

Hello

Posted by billthomas@fuse.net - 2010/10/16 13:21

Hello, I am new to ABS although I previously purchased Ponno's version. I recently purchased Carty's product feeling more secure having him and his support behind me. I live in the Greater Cincinnati Area, actually Northern Kentucky. This program is my last fling at trying to make some pin money to supplement SSN.

Bye for now.

Bill
